COUNCIL AGENDA: September 27, 2005

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: Mark Huebsch, Special Counsel

SUBJECT: Ordinance clarifying certain provisions of Ordinance No. 628 and eliminating penalty provisions

RECOMMENDATION

It is recommended that the City Council waive reading of Council Bill #O-2005-15 in its entirety; direct the Clerk to read by title only, and adopt by roll call vote.

BACKGROUND

The City Council introduced the proposed ordinance on September 13. Previously adopted Ordinance No. 628, extended the time during which the Agency is allowed to receive tax increment revenues by one year. As adopted, Ordinance No. 628 contains a clerical error. Although the meaning of Ordinance No. 628 is clear and unambiguous, it is appropriate to approve the proposed ordinance to correct and amplify the appropriate statutory citation as reflected in Section 1 of the attached, draft ordinance. In addition, the provisions of Ordinance No. 628 (Section 6 thereof) which provided for penalties should be deleted.

ANALYSIS

In addition to correcting a clerical error, which may avoid confusion in the future, the proposed ordinance would delete a penalty clause contained in Ordinance No. 628; the use of the penalty clause in Ordinance No. 628 was inappropriate and unnecessary. The proposed ordinance, which would make the changes described above, would rectify the situation.

ENVIRONMENTAL
